My little Heart shall have a Home a warm and
 My little Heart shall have a Home a warm and
 My little Heart shall have a Home a warm and

 and Thel-ter'd Rest no giddy Flights shall make me roam from
 Thel-ter'd Rest no giddy Flights shall make me roam from

whence I am most blest with Love and on-ly that dear
 whence I am most blest with Love and on-ly that dear
 whence I am most blest with Love and on-ly that dear
